Extremely Important: Covid 19 Protocols Observancy

Dear Invited Guests

Thank you for accepting our invitations to participate at the International Day Of The Girl Child, MTC Girls Soccer Tournament 2021 which seeks to positively engage adolescent girls in Chimanimani rural District through community sports participation. The tournament brings together girls community soccer clubs from around the district to participate, community leaders as well as SRHR experts. The theme of the 2021 tournament is: **Nothing for Girls Without the Girls: End Child Marriages Now!!**

As we are all aware that we are still in the middle of the Covid 19 pandemic, we are fortunate that the government lifted restrictions and we are now able to play under certain conditions. As MTC, we are going to strictly follow these guidelines including the ones provided by the Sports and Recreation Commission. Please note:

- 🌳 Teams coming to play must wear face masks at all times except while eating or drinking. Coaches and team managers, it is your responsibility to make sure your players and officials have, and are wearing face masks. Failure to observe this, are grounds for disqualification. Please put in place a monitoring team for your group.
- 🌳 As MTC, we will only cater for 20 people from each individual team. So it is up to teams to come up with your combinations as long as the combination adds up to 20. 🌳 We need the list of the individuals before the tournament dates.
- 🌳 All adults **MUST** be vaccinated and **MUST** provide a copy of their vaccination cards ahead of time. This is a Sports and Recreation Commission requirement.
- 🌳 All players 14-18 must be vaccinated. To those who are not eligible to be vaccinated yet at their local clinics, they need to have temperature checks before they travel to Nhedziwa, and they **MUST** not show any symptoms of Covid-19. Please see the SRC guidelines attached
- 🌳 We are strictly observing the Covid 19 protocols.

Respectfully

Luci Chikowero

MTC Communications Officer
